“ I am a 1st cousin of Mack, daughter of Herman Leta Lemons Who lived in CA. My name was Diana Y. Lemons (now Yvonne D. Williams of North Carolina). I was sad to learn of the the passing of Mack. Last I recall seeing him was just before my Aunt Florence passed away while visiting with them. The four of us went to breakfast just before flying back home to CA. Mack was so thoughtful to go to the Airport in Albuquerque To give me a rose before plane took off. That was so sweet of him.

*My brother Doug & played with Mack & Rex as kids while residing in NM at that time. Sadly we lost tract of each other through the years.*
