“ I met Magda in 2011 when they adopted DAKOTA from our rescue NMDOG. Since then, we have been friends & kept in contact over the years. We always talked about the Huskies & what we could do to make the community better for the Dogs. She gave DAKOTA a long, wonderful life of Husky Love & now.....we will take care of him (& his sister SOPHIE), for her. It is an honor to look after the Dogs that meant so much to Magda, in their greatest time of need. Thank you Magda, for being a good friend, a good Husky ambassador & for giving so many nice Dogs, a loving home. Rest easy now dear Magda....you will be missed by DAKOTA, SOPHIE & myself.
