“ *Our condolences go out to the entire FAMILIA of Manuel Chavez. He was an icon in our county with a long history of being a well-liked and respected man. He was always ready to visit and talk about anything, especially politics and his family. He was always sharp and pretty happy. We were saddened that this gregarious man has left us for his eternal home. May God bless all of you at this time and may your many, many memories sustain you. May he rest in peace. “ *To the Chavez Family*

Manuel was married to my mother (Nila) for almost 40 years. He was a kind and generous man who told me that he would take good care of my mother. He kept his promise. He will be missed for all the fond memories and stories he would tell. He was a gracious man who thought of his family first before ever thinking about himself. He had a long and fruitful career, loved politics and especially New Mexico politics. My sisters and I will always be grateful to him for the support he showed us. He thought of us as his own children. He will be missed but knowing he has gone to join my mother is enough. No man ever enjoyed a life like his for over 100 years. God Bless His Family!

“ Dear Family of Manuel, Manuel was such a kind, funny, precious soul. He made everyone feel like you were part of his family, I remember, when Nila became ill I went to visit them, we talked for quite a long time about everything, and when I was ready to leave he asks Lorraine "Who is she?" He was so CUTE! He will be missed..... God Bless You AllFrances and Davy
