“ I'm so sorry to hear of Manuel's passing. I knew him many years ago. He was always so very generous and kind; not to mention a true artist, master builder and visionary. I would love to spend one more day with him. My deepest condolences to the Martinez family. Rest in peace, Manuel. xo

“ *Driving around looking at houses and telling stories is a past time I will always cherish. Manual should have written short stories books , because when he was in the zone, boy could he tell stories. God Bless you Manuel and prayers to all his family.*

“ *We had the pleasure of knowing Manny. He told wonderful stories that took you back to days gone by and captivated the imagination. The homes he built were true Manny houses with a magical southwestern flair, he had an artist's touch and an architect's sense of design. He will be deeply missed by many.*
