“ My deepest condolences to the Herrera Family. I never had the pleasure to have meet Marco's but I did work with his father Capt. Clyde. I see the remarkable resemblance Marco's has to his father and it just brought back so many memories. I'm sure Marco's had the same qualities that his Dad had. And losing a son at such a young age is a tremendous loss. But you have the knowledge that Marco's is with his father Clyde in Paradise with our Lord.
