“ Jean was an amazing lady and one of the most caring people I've ever met. I am very blessed to have had her as my supervisor for many years at Adelante. She taught me so much. I remember her fun-loving ways and her quick laugh that got us through the work days with a smile. She was motivated to connect people with the help they needed and she was good at it. My heart goes out to her sons, her relatives and to Phil. I know she will be dearly missed. I will keep you all in my prayers.
