

Margaret Mary Madrid

January 10, 1960 - February 9, 2026

With the heaviest of hearts, we are sad to announce the passing of Margaret Mary Madrid, age 66, a resident of Los Lunas, NM, who passed away on February 9, 2026. A Public Viewing will be held on Thursday, February 19, 2026, at 10:30 a.m. at Immaculate Conception Catholic Church in Tome, followed by a Rosary at 11:30 a.m., with a Funeral Mass to be celebrated at 12:00 PM. She is survived by her loving husband, Lawrence "Larry" Madrid; children, Justin (Eunice) and Kailan; grandchildren, Nicholas and Noah Madrid, Demetrio, Tavian, and Milania Pino; Siblings, Walter Hanff and Hariette Wiley; and brothers-in-law, Arturo (Rosa), Gilbert (Nellie), Max, and Ray Madrid (Betty). Margaret was born in Albuquerque, NM. She married Lawrence Madrid of Los Lunas, NM, on June 2, 1979, at Our Lady of Belen Catholic Church. Margaret was a woman of strong faith who found peace and comfort through her relationship with Jesus Christ and by attending church regularly. She was a devoted Wife, Mother, Grandmother, and Sister. Margaret found joy in the simplest of activities. Whether it was taking short rides through town with her husband and two dogs, watching her grandkids play sports, or cuddling on the couch watching football games, she could always turn the average daily experience into an adventure. Margaret looked forward to the warmer months to spend time in the mountains and enjoyed camping and stream fishing in Jemez with her family. Above all, Margaret's greatest joy was to serve. She was a master cook; anything Margaret made always had a taste of home. Never one to measure or strictly follow any recipe, Margaret

was able to whip up the most delicious meals with a smile. With a God-given ability to serve and inspiration from her Grandmother, Margaret would become a reputable operating room nurse, spending 40 years caring for others and assisting with multiple daily surgeries. She finished the last 20 years of her career working at the VA hospital, where she proudly cared for our nation's veterans. Margaret expressed her gratitude to our veterans and was honored to care for them on a daily basis. Margaret will be remembered for her immeasurable love for others, warm embraces, infectious laughter, and ability to bring peace and joy to those in her presence. Please sign Margaret's online tribute at www.romerofuneralhomenm.com Romero Funeral Home, 609 N. Main St., Belen, NM.

“Margaret came into my life just over 17 years ago. From the very beginning she became so much more to me than a friend’s mom. Margaret immediately welcomed me into her home and into her heart as part of the Madrid family. She had a way of making you feel like you belonged fully, completely, and without question.

Some of my most cherished memories are the simple ones like cuddling on the couch together with her pups, talking about life, and just being in her peaceful presence. Margaret was a beautiful and steady source of love and support throughout my first pregnancy and the birth of my oldest son, Christopher. She loved my family deeply and fiercely, and she never hesitated to show it.

As life took us from New Mexico to Alaska and eventually to Denver, and as Alberto and I welcomed two more children into our family, our visits with Margaret and Larry became less frequent. But every time we saw them, it felt like no time had passed. Margaret always expressed her love openly and made it clear she saw my family as an extension of her own.

I will always remember Margaret’s warm hugs, gentle kisses, and her incredible homemade cobblers. More than anything, I will remember how she was always the calm in the storm. She spoke about others with kindness, grace, and compassion. Margaret was truly a peacekeeper and a peacemaker. When I think of her, I will always see her with that unforgettable, mile wide smile. Our last two hour long conversation together will be etched in my heart forever.

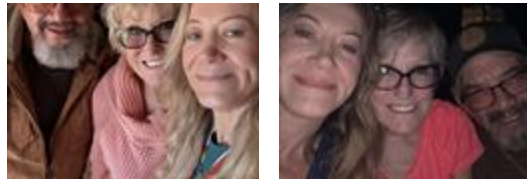

Larry, Justin, Kailin, Nick, Noah, and all of Margaret’s beloved family and friends please know how deeply loved she was, and how much she meant to me and my family. Larry, the love and life you built together was something truly special. It was clear to everyone who knew you both how deeply you cared for one another and the beautiful life you created together.

Justin and Kailin, your mom was an extraordinary woman. The love,

kindness, strength, and peace she gave to others lives on through you. Nick and Noah, your grandma was so proud of you. Her love, guidance, and the lessons she gave you will always be part of who you are.

Justin, Eunice, Demetrio, Tavian, and Milania families are created not only by birth, but by love. Even if you were recently joined together as family, Margaret's heart did not measure time. If you were loved by someone she loved, you were fully embraced by her. She had such a beautiful way of making people feel welcomed, safe, and truly part of something special.

To all of Margaret's family and friends, thank you for sharing her with us. She welcomed me into her life and heart so completely, and that is a gift I will carry forever. I will continue to hold all of you in my thoughts and prayers. Margaret's love, warmth, and spirit will live on through each of you and through all of us who were blessed enough to know her. I truly believe the love she gave will continue to surround all of you.

“ Margaret, I don't know what life will be like without you. You've been a part of my life for as long as I can remember and you took my son into your arms just as readily. I wish I had more pictures than these 2 but the memories will last a lifetime. Thank you for being one of the most amazing, kind, and happy people I have ever met. If I can leave half the legacy you have left us then I'll know I will have succeeded in life. We miss you.

“ Larry and Family,
We were heartbroken to hear about your loss and extend our deepest sympathies. We will always remember how Margaret went out of her way to help our family, especially the time she reached out to my son without barely knowing him. It spoke volumes about her kindness and generosity, and how both her and Larry always made us feel like family. We pray that memories like this will bring you comfort and hope that you are surrounded by love and peace in the days ahead. We love you, the Thomas family.

You are missed Margaret.

“ I first met Margaret in 1999 when she helped me get my first OR nursing job at the old St. Joseph Hospital downtown. She later followed me over to the OR at the VA. Margaret taught me so much about being a peri-operative nurse and she always had my back. She also took my son Nick under her wing, and was instrumental in his development as an OR Tech and nurse. I know many of us can say the same. More than that, she was just a wonderful person to be around. Love and miss you Margaret, looking forward to seeing you again! William

“ We feel deeply honored to have known Margaret for the recent years we would see her, Larry and Kallan in Santa Fe at various markets. So grateful to have had a lovely dinner in ABQ with her, Larry and Kallan right before Christmas. While we didn't know her for that long, it felt like we had known her for years.

She was an absolute joy, we will deeply miss her, and we're sending love from Virginia to the family.

“ Margaret was one of my mentors and “VA moms” when I first started my career at the VA. She epitomized what a great OR nurse should be. Knowledgeable in every specialty, cool, calm and collected even in the most stressful situations. But most importantly she was compassionate toward every patient that came in the room, regardless of who they were. She was one of the very best role models I could’ve ever wished for and it was a privilege to work with her. She treated me like her own son and we’ll all miss her very much.
