“ *Rhonda,*

You and your family are in our hearts as you memorialize the wonderful life of your grandmother. As you well know, grandmothers always play a wonderful role in the well-being of grandchildren. Grandmas are made of sugar and spice! So with her love forever press to be as she even when those nameless feeling cross your heart. Keep in mind, she has done her pilgrimage on earth and now in keeping with her religious faith is in Heaven and at rest.

I submit our condolences to you and your family on behalf of Sue, our family and myself. May time bring solace to your hearts.

Your cousin,

Oscar

“ *When we are young, people come into our lives and little do we know how much our life will be impacted. Mrs Sinclair was such a person to me. She opened her home to a bunch of young people as a safe-place to hangout. A special part of my life was shaped by this beautiful lady and the rest of the Sinclair Family.*
