“ *The Zamora family was very surprised and saddened at Margaret's passing. We send our condolences to Regina, Miguel, Catherine and all her friends and family. My memories go back to the early 1970's, dont worry they were good. She was instrumental in finding a house for us to rent in Belen. As we aged she didnt seem to lose any of her youthfulness, that sparkle in her eye and joy of life. Several years ago she visited us in California. She stayed with Cecelia and me, Barbara Jean, As a gift she brought pinon coffee and New Mexico red chile. She offered to make enchiladas and of course we jumped on that. We sat as she cooked but we noticed she wasnt making them the way our mother, Mary L. Zamora made them. Well, we could have licked the plate, just learned that when you include NM chile and love it always taste good.*

Margaret with the laughing eyes, you will be missed. Rest in peace cousin

With much love, Barbara Jean Roberts

“ Regina and family, it is with deep sorrow the Pete and I send this message. I've known your mother for nearly 60 years and we shared many memories together. Her biggest pride was you and your family and especially her granddaughter. Anytime we spoke it was always about what you and your daughter were accomplishing scholastically. She was so proud of the job you were doing in raising her. She was so happy that you had found the perfect partner to make your life complete. She always talked about the farm you both had created and the life that you both were giving your daughter. Your mom had many talents and was always willing to share. We all grieve with you during this time and know that I am always here if you need me. God bless you all and may Margaret rest in peace. Pete, Patsy, Kristen and Grayson Herrera

Regina, I was devastated when my daughter Estella informed me that your Mother had passed. Your Mom was a living Angel here on Earth. She was a beautiful soul. She always had the brightest smile, she was so talented and she was so kind. I've known your Mom for over 35 years and even though we never met up regularly, each time I did see her, it was like yesterday. The last time I saw your Mom was on 01/19/20 for Estella's Dad's (Frank Tabet) services. We both held each other's hands tight and we spoke for a few minutes and we made plans to meet up soon but, then the pandemic occurred. She offered me so much comfort and reassurance at that time. Regina, I am so, so sorry for your loss. You were her light, she was so proud of you. I miss her dearly and she will always be in my thoughts and prayers. Estella and I extend our most heartfelt sympathy to you and all your Family. God Bless You All, Agnes Tabet
