“ *Marie is a wonderful person. Very caring and  
loving! Her thoughtfulness will never be  
forgotten. When my daughter Julianna Zamora  
had gone through the same back surgery as  
her granddaughter Hannah, I will always  
remember her presence coming to visit my  
daughter and giving her such a beautiful infinity scarf. She loved red  
Chile from TJs, every time she would see me, she would always  
say, I need to go get me some red Chile!  
We surely will miss you, you are in our prayers always.  
Love Jessica and Julianna Zamora*

“ *It was sad to hear of Marie leaving us on Earth to join our Lord in Heaven. Many old memories that bring a rush of joy to my heart. She was nice, funny and had a zest for life. She was the real deal. I remember when the girls were little and how she and Larry were so happy. She was a lady/friend who would talk to you not matter where she was working or just shopping. Her suddenly leaving us should serve as a reminder to us all that tomorrow is not guaranteed, therefore keeping "God" in our everyday life and heart is a must. Thanks for being my friend Marie. You will be missed, but never forgotten. God bless your soul and family now and forever.*

“ Words cannot express the heaviness in my heart for you both, Melissa and Jennifer. Marie was a wonderful person, loving mother and doting grandmother. I am thankful my son, Gabriel, had the opportunity to know Nana Rie and be influenced by her natural artistic talents which she so generously shared with others. Please know you are in my heart and on my mind.  
Love,

“ It is with much sadness and quite frankly shock when we heard of Marie's passing...

*The times that we spoke with Marie she was as proud as a peacock when it came to her girls, Melissa and Jennifer, and even more so with her grandchildren. Melissa shared with me that her Mother would often volunteer in her classroom and the children lovingly called her "Nana Rie!" How fortunate were they that Marie shared her artistic talent with them!*

*Our sincere prayers and thoughts will be with you and all your family during this difficult time!💔*

“ My very sincere condolences to the family of a wonderful, loving lady! Marie was my very best New Mexico friend. Meeting her through my work was a blessing. We had many, many fun times over the last eight years. She shared her life with so, so many friends. Her home was an open door and she loved entertaining. Birthdays were special, always recognition. I marveled at her attitude in life and she was so thankful for what she had and she worked so hard. She was there for me when I lost my beautiful angel, Rylee, just two months ago. I hope she will meet her in heaven and be her fun Grandma. God has a very special angel. Love, Marsha
