“ I’m so sorry to hear that Martin has died. We would talk to each other once a month to check in — I had not heard from him so I checked online and saw the sad news.

My condolences to his family! I am already missing our monthly chats! 💔

“ *To Angel, Martin and family: saddened to learn that Martin has passed away. He and I worked together at Amtrak for at least 30 years; didn't see each other for the past many years but did stay in touch via phone every month or so. May God comfort you and your family members at this time and always. Most sincerely, Eddie Buntten*
