“ I remember hanging out at the Campbell's in our early years. It was either 6th grade and early Jr. High.

There were so many kids, we'd play softball in the field
Marty became a little impatient because I was inside the house eating homemade tortillas and listening to Mr's Campbell play guitar.

That was fun. Thinking of Betty, Bobby and Bev.

I'm sorry to read about Martin passing. I don't look at Facebook very much. I had connected with him last year online and we reminisced about our early life friendship. Martin, Alfred Sanchez and I would hang out. Got into trouble with usual kid stuff like ditching school a few times. My condolences to his family and friends. Michael Garcia from California.

Bobby, don't know if you remember me. My family (Garcia) lived just north of your home on Gabaldon Road. I was good friends with Martin and was at your place often. Lost contact after our family moved to California. Your mom and dad were always kind people. Sorry on the loss of your parents and brother. I will always have good memories of your family

“ Marty was a very dear friend Betty, if it wouldn't have been for Social Media I would have never been back in touch with Marty since TV I, I just wish I would have always been in touch. I feel like I know everyone of your family because when we talked we talked family. I could tell Marty was very very proud of his family he expressed nothing but love and admiration for all of you! He told me how you were his strongest rock and how special you got along Betty! My Very Very Most Heart Felt Condolences and Love and Prayers go out to all of you! May God Fill Your Hearts with Love, Peace and Hope! 🙏🙏
Love Always
