“ *My Bestie! aka Malbina, aka Binz, aka Amiga Buena. I don't understand why you're gone, this hurts so much!
I look back and we had some great times!
We hung out in Florida for work trips. We saw the Yeah Yeah Yeahs and the Black Keys in concert!
We sang Wish You Were Here with Seth playing guitar at Chinto's matanza.
Just this year alone we had some good times; we saw the first undisputed heavyweight boxing title in the four-belt era at Tom's Watch Bar. We ate breakfast at all kinds of cool little diners around Denver.
We walked around different nature areas and saw some cool birds and BS'd about old times.
We spent the day with Sam, getting breakfast, going to the Butterfly Pavilion, hanging out at that one Alice in Wonderland brewery.
We walked around King Soopers and talked about Tom Brady's roast.
I'm also super pumped that you went to see your beloved Raiders in Vegas and saw all the hall-of-famers honored at Allegiant stadium.
You always knew how to enjoy yourself and make everyone around you smile. Thousands of memories go through my mind, and I'll never forget them!*
