“ How we loved you my silly auntie. Your hugs were the best. You showed us much love always. You are my favorite and always will be the only auntie that was there for us. Auntie Lulu you were a remarkable woman! My mom loved you so dearly. I know mom will miss talking to you every week. May the Angels enfold you in their wings and fly you to heavens door, where Chester is waiting to hug you. May you rest in peace knowing you were the best of everything to us. Love you now fly!
