“ How dare you say she raised all 3 of my kids. That is not true. Sad how she was my step mom for 32 yrs and didn't even acknowledge us when she was buried. Had to find out thru Facebook so heartbreaking like we didn't matter. I'm really heartbroken how you put us. Still hurts me to this day.

Mayme. You will be sorely missed. Me and my family are consoled knowing your beautiful smile is lighting up heaven now and you are in Jesus' presence. Thank you for all the kindness you shared with me during my years growing up in Los Lunas. I remember all the taco platters you would always have ready for us after our football games (win or lose)! With Love, John (and Debra) Blythe
