“ Mom, I will miss your smile, your sweet prayers and blessings, your stories about how things were when you were growing up, the way you asked us to explain something when you didn't understand, your kindness and especially your hugs. I know you are looking down at us from heaven with a big smile and a peaceful heart. Thank you for giving us 90 years and many heartfelt memories along the way. I can only hope that I can pass down a few of the things you taught and shared with me to my children and grandchildren. I Love You Mom, you will be missed, but will always be in my heart. You're in God's hands now and you can finally rest, you are home....
