“ *Mo! I just can't believe that you are gone. You were always so encouraging to me when my dad had cancer and after he died and when my mom had cancer; even when you were battling cancer yourself. You were always so positive and made me feel better on my worst days. I have known you all of my life and I will cherish so many memories of us growing up and Uncle Pinky and Auntie Laura's house. You are family and I will keep you in in my heart forever. Love...Weezie.*

I'll never forget how I looked up to you, and how awesome of mother you were. When we all got together at family functions, you were always so **ENERGETIC!**
I looked up to you because of your beautiful mind and spirit! But at the same time never made me, or anyone feel less of a person! You never judged! Also, I just want to thank you for Being everything to my niece, Dee. I Know how tight you both were, and I just wanna comfort you, by knowing we are a big family, who will be here for Billy SR, Billy JR., Cody, and Brooky Boo!

Melinda, you are and will always be a true warrior in my eyes. We will miss you and will vow to help your family with anything they will need in the days and years to come. The Lord called you up, but we know that this earth is temporary and we will one day be hugging and laughing again. "Fly, fly, so high above the sky, so high I almost touch the sky.
