“ My sincere condolences to the Zamora Family. I have heard how Mellie touched the lives of many children during our summer CCD programs. She taught by example and with kind words and a compassionate heart. Her faithfulness and devotion to Our Blessed Mother Mary could be seen in all her ways of being a beautiful disciple of Jesus and passing that on to Our children.
Thank you, Mellie for the fun times we had when we went to other parishes to do teacher training. We could hardly wait for break time when we could go out and chit chat and laugh. I always admired you and wished I could be like you! Pray for us, my friend.

“ Mellie and I were roommates back when and she would not let me go to sleep until I prayed the rosary every night, that's after we would dance rancheritas and rock n roll all the way up and down the dorm room hallway. Even at our young age, prayer was always important to her. In the past three years we shared many things about our lives and we both prayed for each other. Mellie loved her family dearly and her faith was so strong there's no doubt she's in a glorious place today. Mellie you will always hold a special place in my heart. You were a wonderful friend and blessing for me.

“ Dear Danny, Danny Jr., Marcos, Bernadette & Families,

I remember Mellie as a beautiful woman, as well as a wonderful mother and friend! She was my son, Joseph's catechism teacher, and therefore, continued building a strong, spiritual foundation for him. I'm sure Aaron was right in there, in the mix of wonderful Tomé families and friends.

My sincere condolences to you, from all of us. May God bless you during these difficult moments.

“ *We need women who are so strong they can be gentle, so educated they can be humble, so fierce they can be compassionate, so passionate they can be rational, and so disciplined they can be free.*” – *Kavita Ramdas*

The quote above describes how I remember Mellie. A beautiful woman inside and out. It was always a treat as a little girl to see Mellie drive up to our house. I knew that she would be taking my mom and I either shopping or just on a simple cruise. Lucy ay dejé vamanos and off we went. Only Mellie could create an atmosphere, for just a few moments where I could see my mom relax and not worry about all the responsibilities that waited for her at home. She lifted up hearts and brought smile to peoples faces. I loved her and so did my family. She will always hold a special place in my heart.

My deepest sympathies go out to you and your family. May God give you the peace that you seek.

“ *My condolences to Danny and his family on the passing of his beloved wife, Mother of his children and grandma to their grandchildren...indeed a beautiful and devout Christian who embraced her Catholicism and has gone on to her reward. Mellie's Love of God and family was obvious. She would often have Masses said for ALL children, proof that she held our most precious and vulnerable in high esteem. Her grandchildren were fortunate and blessed to have had her as their grandmother!♥♥
Rest In Peace dear lady, you will be missed in our community of Tome!
