“ My condolences to Mike's family. My and I worked at the Air Force

“ I'm sorry to hear of Mike's passing. I worked with Mike for over 20 years. He was a kind hearted person and a good friend to me. His office was next door to me and we both worked late. He would always come down to my office and share work related items. He always remembered my birthday and after he retired a group of friends would meet for lunch. He was a lot of fun and will be missed.
