“ Michael, the pain is now gone and you are at peace. I will always be great full for what you did for Post 81. When the fans are on we'll feel your presence with the breeze.

“ Even though we rarely saw or spoke to each other, we all knew we had this whole other family of half siblings. Yet we always connected as if time had never passed whenever we'd run into each other. But now you are at peace. Glad I spoke to you a few months before your passing. Love you brother, RIP
