“ I had the pleasure of meeting Mike under unfortunate circumstances. I was one of his techs at UNMH. I thought it was pretty awesome that Mike had a relationship with our Heavenly Father. That in itself brought me peace, because as one could imagine working in an oncology unit you tend to see a lot. I saw Mike’s courage to fight this disease with such grace. He told me that he knew where he was going but that he was willing to fight this disease for his family and to hopefully bring hope to the non-believer’s and possibly share his faith. I will be praying for Mikes family may God give you strength, grace and peace during this difficult time. Gaylene Gonzales
