“ To Gerard, Bernard, Geraldine, Annette and family:

I had the honor of knowing both Mildred and Eddie through each of you, their children, they loved you and supported each one of you unconditionally! No one could have asked for better parents, their love for each other always shined through each of you! Their trust in God and their love for him was always in the forefront, may they now find peace. Geraldine and Annette, I remember your Mom and Dad always being at every activity you were involved in at school, as I know they were with your brothers! I have been Blessed having known them and sharing in watching all of you find success. May each of you find comfort in the many wonderful memories you have of both your Mom and Dad! I have many, thank you for that!!!

Many Blessings to each of you, Paul T. Luna

“ Our sincerest condolences to the extended family of Doña Mildred Saiz. She was one of the most conscientious people along with her husband Eddie and the rest of the Saiz family from Los Lunas that could serve the people with such joy and the knowledge you had a true friend. She reminded me so much of my Great Grandmother Doña Ramoncita Sanchez the goodwill and their faith in God within them. I was very excited to see Mildred about a year ago with her son and my good friend Gerard and his family. I will always cherish her memory.
