“ I will miss you dearly, Grandpa.
I always look forward to visiting my Grandparents on my trips to New Mexico; there's no place like Grandma and Grandpa's house. I'm in tears thinking about how different my next visit will be. I know you were in too much pain to stay, and I'm thankful you're no longer in pain, but this loss is truly heartbreaking. My heart hurts for Grandma, my Momma, and my Tías. Although our hearts are full of sorrow right now, I know Grandpa was aware of the endless amount of love and respect we have for him.
Rest in Peace, Grandpa Moe. I love you forever.
