“ *It is with a heavy heart for the entire family of MonaLisa. She truly will be missed but never forgotten. Her sense of humor and a smile that would warm your heart. It is not often that we encounter someone like Mona. A rare diamond that shines even in the darkest of times when she would cover up her own pain to sooth another person. She fought a good fight just like a brave soldier of Christ. Reminding me of St. Bernadette who never thought of herself and her pain whether physical or emotional but instead marched on with dignity and love for her family and friends. More importantly her love for Our Lord and Our Blessed Mother and now she is wrapped in the warmth of her mother Rose's arms. Thank you Mona for being an inspiration to all of us who knew you and taught me how to serve Our Lord with the same kind of bravery you marched like a true soldier a true hero! We love you and we will miss you but I know I will see you in heaven. From Angie y Fermin Lopez*

“ *Mona was a beautiful person, and always made those around her smile or laugh. Even though she wasn't my aunt she made me feel like her own. I learned many things from her. When I have chili in my spaghetti, when I tweeze my eye brows, when I clean with gallons of bleach, when I braid hair, when I put my makeup on in the morning, the vision of her smiling back at me will always remain. I love you Mona and I know many will miss you dearly. I pray for her family and all those that were blessed to know her. I'm so grateful my Nina Rosemary introduced me to her wonderful family I call my own. Love you bunches!*

“ *Monalisa you are truly one of a kind ,we are going to miss you giving tour guides at our house when you brought people over to our house . Remember when you , Ryan and Ej got in an accident going to school and I never knew about it till the insurance people called and asked how EJ was doing . We laughed so hard because Ej didn't want to get you in trouble . There are so many memories I will cherish. The rest will stay in my heart with you forever .Thank you for being you. Being strong in everything you went through. Ej will miss you and all your special conversations you had together . “ *Mona we will miss you, you always thought of everyone except yourself. Your never thought your illness was a big deal, but, if someone had an ouch, you were there to make it feel better. Being as you always broke a dish when you washed dishes or broke a glass when you held it, I will think of you when a dish or glass is broken, just like when a bell rings, an Angel is present. Thank you for providing us with good time and for always making everyone laugh. You will be missed. Save us a seat in HEAVEN.*
