always been a very special woman in my life. Growing you were a
constant person that I can count on and I will never forget that.

daughter and for that I will forever be grateful. I love you very much
and I miss you even more. Always and forever your niece Donala

“ So sorry for your great loss. We were never meant to loose our
loved ones an cope with the pain of it. May you find much comfort in
the promise recorded at Isaiah 25:8. And may your many precious
memories help sustain you in the days and weeks to come.
