“ *Nancy and I spent a beautiful day on the beach for nearly an entire day. We were at an advance, enjoying a wonderful weekend. The day at the beach was unseasonably warm and sunny. It was a photographers dream!!! Nancy really got into taking her pictures while I went into the water. Beach life galore! Birds, sea lions, whales in the distance... it was a perfect day.*
I have so many wonderful memories of Nancy. I loved the Tuesday dinners we had. I was dazzled at the Legacy weekend. The woman's brunch was so much fun! I was so happy for her when she won the in-tandem jump out of a perfectly good airplane! Our many years as friends and mentors enriched my life.
