“ Blessings and prayers goes out to Natalie’s family.

I grew up with Natalie and from time to time touch bases with her on facebook. My heart broke to hear the news of my childhood friend.

Memories was her singing giggling and the smile that would brighten a cloudy day.

She received those wings and singing beautiful melodies from heaven.

“ We are at a loss of words... Which was never an issue for our Nat. lol I first want to give condolences to Tomison, Savannah, and Gabby. Her two Grandbabies. My matanza partner, Mr. Floyd. Dorothy, Anthony, and Martiza. Anthony and Des. I got to know Nat when she first moved down from CA way back when. She became my sister Allison's BFF and has been part of my life ever since. Thank you for always being there for our family. Thank you for always making us laugh. Thank you for all the dancing and singing. You will be a part of mine and Laynette's heart forever. You were more than a friend, you were part of our family. Take care my friend. Watch over all of us down here from time to time.

“ *My sweet friend, I'll forever remember your pure heart and contagious laugh. From the moment I arrived at La Promesa, you welcomed me with open arms and made me feel at home. You were someone I could talk to and lean on without fear of judgment, always listening, always lifting others up.*

You were the life of the party, bringing joy wherever you went and making everyone feel special. I'll always be grateful for our friendship and the memories we shared.

Rest easy, my sweet friend.

“ Natalie you were such a beautiful person! I had the pleasure of sitting in countless BCS trainings with you, and you always kept us entertained. Your laughter was contagious and you always made the best from every situation. You were such an amazing teacher filled with love, kindness and had a gift for working with children. You touched the lives of so many, and our district was lucky to have you for as long as we did. I now have gotten the pleasure to teach with your beautiful Savannah, she has the same gift as you did. She livens up our La Merced campus. She is so willing to go the extra mile for our teachers and students, La Merced is blessed to have her and you would be such a proud mama. Best of all I have the opportunity to teach your grandson! Natalie he is so smart and kind to others, he fills our classroom with love and curiosity of learning! You lived an amazing life and raised some wonderful people, you will be greatly missed!

“ Natalie was more than my Prima — she was my coworker, my confidante, and my dear friend. Her humor and zest for life brightened every room; she had a way of making the ordinary feel joyful. She always knew the right thing to say and gave the best advice, steady and warm when it was needed most.

Natalie and I began the adventure of earning our master’s degrees together. We lived by the motto “fake it till you make it,” and with her by my side the journey felt possible and fun. I will love and miss her forever.

We honor her memory and the light she brought into our lives.

“ *Natalie, I cannot believe you are gone. It saddens my heart, but God has bigger plans for you! I loved sharing our closets between our classrooms. There are too many to write about, but you know what I am talking about (lol). Also, so many good and fun memories of us going out of town for our TESOL workshops. ☐. Nat, you were not only a good friend and person, you were an amazing teacher. Rilee had you for 2 years and learned a lot and you made learning fun. I am not saying goodbye, I'll see you when I see you. Love you amiga! Jess*
