“ *Nate. I'm still at shock and disbelief you are the little brother I never had . I pray that you rest in paradise and we meet again soon. Everyday I will reminisce your presence and your joyous smile. One love little brother always and forever no matter how much time will pass your in my thoughts daily I remember us arguing over your colts and my niners. I still say niner red and gold forever. I'm still lost for words and hope I wake up from this bad dream sooner rather than later ... they dont realize they have taken an angel from God a young man full of character and charisma with a positive message. I love you Nate and you will forever burn in my heart till my last breath always your brother forever..*
