

Nathaniel Vincent Olguin

November 9, 2000 - March 8, 2026

2000-2026

Nathaniel Olguin, age 25, passed away on March 8, 2026. Services will take place on Monday, March 30, 2026, at Calvary Chapel Rio Grande in Belen, beginning with a public viewing at 10:00 a.m., followed by a Celebration of Life at 11:00 a.m. Interment will follow 12:30 p.m. at Our Lady of Belen Memorial Gardens. He is survived by his three children, Aria, Andreas and Clara; his mother, Dianne Olguin; his sister, Jennifer Olguin; grandparents, Rudy and Rebecca Jaramillo; and grandma, Rose Olguin; brother-in-law Casey Jones and countless family and friends. Nathaniel is preceded in death by his father, Anthony Olguin; and great maternal grandparents, Alfredo and Aurora Jaramillo; and paternal grandfather, Rodger Olguin. His greatest achievements were his children, he was a good dad and loved them very much. Nathaniel did everything he could for them, no questions asked. Aria, Andreas and Clara will forever have a huge hole where he should be. He also was very proud of the fact that he received a certificate to be a tower technician. He worked so hard for it and deserved it. Nathaniel was always working on his vehicles or looking to win big at the casino. Nathaniel, many knew him by "Nate", will forever be remembered by his bright and shining personality. Nathaniel loved working at his grandparent's restaurant, Rutilio's. He wanted to own a Rutilio's food truck one day. He loved serving good food with a winning smile. He took pride in learning and was constantly wanting to know the ins and outs of how something worked. He would always think of

ways to improve the lives of the people he loved. He had such a huge heart and took all of his hardships head on, sitting down, or standing up, it didn't matter. Such a heart will be missed. He would give the shirt off his back for you. Anytime anyone needed him, especially his family, he would be there. A beautiful soul gone too soon. “ *Nathaniel, not only were you Aria's amazing dad, you were also one of my best friends. Our friendship was so effortless, we became so close so fast, I miss our times together, laughing, listening to so much music and our talks. We could talk for literally HOURS about everything we were going through, and opinions about different things, we talked about the big and little stuff. I will forever carry you with me in my heart. ❤️❤️❤️❤️*
