“ At a time like this we are reminded about how precious life is. Uncle Nickie lived his life full of love and happiness. He always had a smile and a handshake. Most people say angels are in heaven and they look over you. Uncle Nickie had two special angels here on earth that always looked out for him. Lucie and Dennis were guardian angels for uncle here on earth and now he is in a place full of everything that is wonderful and perfect, without pain or sorrow. Also our heart felt condolences to Viola and Family. "God Bless" With all our love, Michael, Lorraine and Family. "Wonder the Creation", "Worshop the Creator."
