“ *I'm so sorry for the loss of your mama, Danny. Nelda was an amazing woman. She used to babysit me when I was very young. We have pictures of Danny and I as babies. She was also a big part of my life as an adult. You will be missed... May God give you strength and peace, Danny.*

“ *I knew Nilda for many years but lost touch when she left the neighborhood. I always wondered what happened to you. I am so very sorry for your loss Danny. You probably do not remember me so many years have gone by. May the family be comforted knowing Nilda (I used to call her Nelda) is no longer suffering from her illness & is in the arms of her mama who I know she missed very much. We had so much fun back in the day...Danny you were such a special boy to you mama. May she rest in peace. Berna*

*Danny, I know you don't know me, but I am your cousin. Your dad, Dennis and I are cousins. I am so sorry to hear about Nilda's passing. She grew up across the street from my grandparents. I hope that someday we can get to meet each other. I talk to Dennis every now and then. God bless you. Your cousin, Agnes Garcia*
