“ *Nino is my first cousin, his parents my uncle and aunt and Godparents. I know he is in heaven with all our family that's gone before us. Maybe a matanza by the Rio Grand. Good memories of our family, Zamoras, visiting and feeling very important because we were related to the Trujillos. Years later I visited with my husband Russ and he was very impressed with Nino. Nino gave Russ a hat, I didn't! Russ really like him and more importantly respected him. You will be missed, Barbara Jean Trujillo/Zamora Roberts*

“ I'd like to send my deepest sympathies to all the Trujillo family for the loss of Nino. When i first started working for Nino i was his driver for a short season and then started working in his offices. The one thing i will always remember about being around him is that he never complained about anything... He taught us alot as we worked by his side. He will be greatly missed by us all at his office...

“ I want to express our deepest condolences to the entire Trujillo family for the loss of Nino. Nino was our landlord for the 13th Judicial District Attorney’s Office. I would talk to and visit with Nino at least once a week for the past 10 years. He had a great sense of humor and he shared with me his love for Belen, Valencia County and the Democratic Party. May God Bless his wife, his children and his extended family.
