“ Unbelievably heart breaking, yet we find comfort in knowing that God has given each and every one of us a purpose... from the oldest living person to this tiny beautiful angel for such a small amount of time on earth! Her purpose was to touch her family deep inside and to open your hearts to infinite, unconditional LOVE. Go on and be all the things this little angel has inspired in your hearts until you hold her, play with her cheeks, hear her giggle and see her beautiful smile once again. We've never met but know that somebody in Oregon is praying for you.
