“ Priscilla & Family,

We were saddened to hear of the passing of Patricia. It is just too much and too soon to lose loved ones. She and Gilfred are in Heaven, in keeping with their religious faith. They are together once more. May you always cherish those wonderful times you spent with them and may you hold those thoughts tightly in the closets of your hearts.

Please accept sincere condolences on behalf of Sue, our family and myself.

“ To the family of Patricia Chavez-Wagy,

I was so saddened to hear of Patricia's passing. To me she will always be that sparkly-eyed junior high student who sang like an angel in my chorus class. I had occasion to talk with Patricia this past year when our paths crossed. She was the same gentle spirit I remembered. To Molly and Milo, just know you were deeply loved. Molly when I spoke to her she always beamed with pride when she spoke of you. To her family, guard her memory close, she was truly special. May God give you the peace that surpasses all understanding and may you feel His loving arms wrapped around you providing you with comfort.

Patricia, fly free and join the choir of angels. God Bless You.

*Sincerely,

“ I love you n I will miss you so much.. 🙏🙏🙏🙏
😊. You have definitely left a big hole in my heart Patricia. Chavez family she was such a special kinda lady, we shared so much throughout the years. I cannot imagine what it will be like not calling & texting her n hope to get a reply. Mrs Chavez, you are very dear to my broken heart and cannot imagine the pain you have endured this past month. I will continue to pray for you, Molly & the rest of the family. I will always keep Patricia in my heart. We, all the girls were treated like family when we were around you. Patricia, me & the girls went on an adventure one year, I will treasure it forever. So may stories I have to share. We were both single parents & I believe this is what brought us together & kept us friends to the end. I love you like a sister Patricia, free loved us all the same. Molly you & Milo were her life. I hope & pray you find comfort knowing she isn't suffering anymore. Patricia you are free, fly with the rest of the angels.... Until we meet again my dear friend I love you, i will miss you. Bern

*To Molly, Milo, and the entire Chavez family.
MS Patricia I still can not believe that you left us. It was so sudden, so unexpected and way to soon. I know God has his reasons, but you were here for such a short time. You will always be our hearts and memories. You will always be remembered for your kindness to family and to any one that crossed your path. Molly, your mother loved you so much. i can remember when you were born she would sit under the tree and video tape with her holding you. I hope her love for you can bring you peace. You blessed her with Milo. He was the joy of her life. Patrica, watch over everyone from your heavenly place with God and smile down on us. Be at peace. Love the Lueras family.*
