

Patrick Baca Jr.

August 15, 1952 - June 28, 2015

1952-2015

It's with heavy hearts that we announce the sudden passing of our beloved Patrick Baca Jr., age 62, of Belen, NM. Patrick passed away with family and friends by his side on Sunday, June 28, 2015. He was born on August 15, 1952 in Honolulu, HI where his father was stationed at Pearl Harbor. He grew up in Socorro and graduated from Socorro High School in 1970. Patrick retired as a Colonel in the United States Air Force National Guard, where he served his country with great pride for 30 years. He had no greater joy in life than to raise his children and spoil his grandchildren. He and his wife were inseparable. They loved to fish, camp, participate in art shows, travel, spend time with family and enjoy life to the fullest without regret. Patrick was the best "Papa" his grandchildren could have asked for. "Who loves you?" "Papa does!!!" Patrick was preceded in death by his father Patrick Baca Sr., his father-in-law Salomon Trujillo, and his grandson Mateo David. Patrick is survived by his loving wife and best friend of 39 years LuAnn Trujillo Baca, daughters Yvette Driscoll (Daniel) and Kimberly David (Jason), son Patrick Baca (Su), granddaughters Kati, Haylee and Miley Driscoll, Ariana and Elise David, and grandson Sebastian Baca. Patrick is also survived by his mother, Margaret Baca, brothers Adrian Baca (Rose), Martin Baca (Carolyn), Gilbert Baca (Charlene), Joseph Baca (Carolyn) and sisters Anna Baca and Barbara Snow (Nathan). He is also survived by many in-laws, nieces and nephews and close friends. 2 Corinthians 5:8 "Yes, we are fully confident, and we would

rather be away from these earthly bodies, for then we will be at home with the Lord.” All services will be held at Our Lady of Belen Catholic Church on Friday, July 3rd, beginning with a viewing at 9:30 a.m. with a rosary to be recited at 10:30 a.m. and a Funeral Mass will be celebrated at 11:00 a.m. Interment will follow at Our Lady of Belen Memorial Gardens. Please sign Patrick’s online tribute at www.romerofuneralhomenm.com Romero Funeral Home, 609 N. Main St. Belen, NM.

“ Hey Pat,

I always wonder if time in heaven passes at the same speed as it does here on our journey on earth? Just wonder about that sometimes. You'll be gone 7 quick years in just 3 more days. I am constantly praying for all you guys in heaven. You were all too young to die. I was thinking the other day when I was outside watering, should I be praying for you guys so much, because your in heaven now and nothing can harm you. Then I had a selfish thought about maybe you guys should be praying a ton for all of us down here trying every day to still negotiate this sometimes difficult daily journey of life we're traveling? Que no? 🙏🙏

Just kidding ~ but if you guys feel like throwing a little extra prayer out there for me if you're having a slow day ~ make it a prayer for me to make it here on earth for 5 more years so I can attend my grandson's graduations. Then, I'm good to go Pat.

I love you pal. Always have -always will - forever. Hug my brother Chris, sisters Alberta and Melissa & Mom and Dad for me. Hug your Dad and Mama, Joe, Mateo and Skie for me too. Tell them I'll come share the Glory with them just as soon as I finish tidings things up around here.

“ I was in the backyard this morning trimming trees and out of know where I heard your very unique voice that came in loud and clear over my little chainsaw. It was unmistakable and it was like you were inside my head with me. You said, "it's going to be a good day Gary" - just as if you were still here and it was just another moment like all the other moments that we shared during our lives as pals.

I think of you everyday , and say a prayer for you every night before i go to sleep. I had a dream about us doing the stupid things we did when we were all together, and I woke up laughing. I always wake up happy when I dream of you and all of the others who are there in heaven with you. I'm jealous. You always enjoyed my singing more than anybody. I can hardly wait to go up there and sing all the songs that I used to sing for you all.

I always worry that you and the others in heaven can't hear me when I talk and pray for you. So I thought I'd write it down this time. You, Chris, Skie, your dad, Joe and Mateo are all probably laughing at me cuz I'm so silly about these things. I'm glad you came and talked to me and visited me Pat. I don't get as lonely as I used to because I know I'm closer to all of you in heaven, and every day is one step further up to my eternity with the people I love most.

I pray hard everyday like clock work for Luann and your children, and your mama and your brothers and sisters Pat. I hope they all know how much I love them. I wanted to go see Luann so many times since you passed, but I think if I went and saw your house and you weren't there I would drop dead right there on the spot. I'm not as strong as everyone thinks Pat. You always knew that. Anyway, I have to go water the pecan trees now. It's good to know when I go out now to irrigate and do my work, I'm not alone. Hey, punch Chris and Skie on the atm for me and tell them to cut it out. Ah que Chris and Skie, they just never stop doing crazy stuff. I love you guys. Won't be long now. You'll hear me coming, you know how I like to make big entrances.

“ *Kim, LuAnn, Yvette and Patrick -*

I am very sorry to learn about the passing of Pat. He was a good man who loved his family deeply. He taught me at a young age to focus on certain things that I might not have otherwise. His impact on me is something that I think about often and will continue to. I doubt he knew of that impact, but I thought it was worth mentioning. Again, so very sorry for your loss.

“ *Dearest LuAnn and family, we learned late this morning of your loss. It is with heartfelt and the deepest sympathy that we send you our love, blessings and prayers. Pat was a childhood friend to me, having grown up together in Socorro, and a compatriot of Nick's in the Air Guard. Which goes to show you how small the world is; Nick is from Colorado and wound up in New Mexico because of the Vietnam war draft. We "bumped" into him many years ago at an Air Guard function and somehow this surprising circumstance just didn't seem strange to him - only a reason to celebrate and laugh! He always was gracious, kind and concerned about others; once his friend, always his friend.*

“ What a wonderful, spiritual service this morning. Pat took my daughter Kelli under his wing and groomed her as a hurdler for 5 years. Mostly thanks to him, she was a state champion and competed in college. He always was a positive influence, and never failed to greet me when we saw each other at track meets. “ Every morning when I would go for my jog, I would see him and his wife outside. One day Mr Baca tells me, "I love seeing you out here taking care of yourself." That simple comment that he went out of his way to say shows his character and kindness and it would motivate me each day i was out jogging. “ We want to express our heartfelt sympathy for you LuAnn, children, grandchildren and family. We are so saddened by the loss of Pat. David & myself had the privilege to work with Pat in the Air National Guard for 13 years. I was the secretary in Supply and worked for Pat full-time for 5 years. He was by far one of the kindest, and just best supervisors I have ever worked for. Pat was a good role model for both David and I. I remember he always told me that his 3 children were not through with school until they graduated from college. That always stuck with me. And I went on to get my college degree.. and David went on to get his Masters degree. From David - He always remembers Pat brought in the best carne adovada for the Christmas pot lucks. He always said he made it himself and he wouldn't give anyone the recipe. I remember secretaries day would be the only day Pat would go out to lunch with Larry Hale, Mel Montano and the gang. And then the 3 of them would argue, over who would pay the bill. He was blessed to have a wife that made him wonderful lunches. Pat always put God first and never missed church on drill weekends. We hadn't seen him in years or talked to him because we moved away, but we were blessed to reconnect with him recently on FB. I was able to see pictures of him and his beautiful, growing family. He told me how wonderful it was to be a grandpa (I know now he was papa). I am glad to see that him and LuAnn were enjoying retirement and all the kids and grandkids. He seemed so happy and content!! I am praying for all of the Baca family and hope that the comfort of God helps you all through this difficult time. Love, David & Joan Ojeda and family. (We wanted to go to funeral, but we live in Denver now and couldn't make it). God Bless!!

You brought happiness and comfort to my soul with your friendship and brotherhood. Soon once again we shall sit, laugh and reminisce of our time in this place - and the love we shared here and will share for eternity with our loved ones and our lord. I will not be sorrowful with your passing. I will celebrate the times we were all so very fortunate to have had with you in our moments. I will smile and laugh in memory of you, and wait impatiently for that time when you and all of our other loved ones welcome me through those gates and everlasting life. “*Mr. Baca, you leave behind a legacy that is stronger than the mere flesh we are encased in. I was blessed to have had you as a track coach as a mentor, as a friend. You always made each of us Pickett children feel like one of the family. I remember slumber parties in your home, so much laughter and always feeling safe, protected and loved in your families presence. I want to say this because I feel it is important. Being one of the very few black families in Belen New Mexico was a difficult experience and so when you have those who embrace you with kindness it is forever sealed into your heart. I will never forget your leadership as a man and the care you showed and modeled for your family all the days of your life. I know the heavenly realms are expanding with your smile. Oh, but you will be missed by so many lives you have touched. Thank you for all your encouragement and support through the years. We are blessed having known such a beautiful man of God... Luann, Kim, Yvette, Patrick and family, My prayers are with each of you! Pat always had a way of making people feel special. He was so nice, funny and easy to talk to... I am sad that we won't be able to take a camping or fishing trip together, but I am so blessed to have known him! He is definitely in heaven with our amazing Lord and Savior. He is having the best fishing trip of his life! God bless you!
