November 12, 1964 - October 8, 2020

1964-2020

Paul Anthony Armijo of Jarales, New Mexico, passed away on October 8, 2020. after a long and courageous battle with cancer. He had a liver transplant in 2013 and fought every minute from that point in time to take care of his family with what time he had left. Paul was a man of faith, wonderful husband and father and grandfather. He was preceded in death by his father, Tony Armijo, his sister Melissa, and his brother Ralph. Paul is survived by his wife Susie; his daughter, Victoria, son-in-law Michael; and son, Paul Jr; grandsons, Seth and Luke Anthony; his sister, Michelle; and his Mother, Diana and stepdad, John.

He was always willing to lend a helping hand to those in need. Paul loved to bar-b-que and would often cater community and family events. He was somewhat of a collector and was always willing to share his assortment of items with anyone that was in need. Paul was a good mechanic, and he loved antique farm equipment. He, along with his son, Paul Jr, had a successful water well service company. Paul's unwavering spirit and love for life and family will truly be missed by all. Rest in Peace Paul. “ I am so sorry to hear of Paul's passing. I worked with his Aunt Viola for several years and grew to love her and her family. I have a very strong belief in God and believe that each one of us will be reunited with our family and loved ones after passing. May God hold this family in his hands and give comfort, strength and love to all especially his mother Diana who has lost so many family members recently and Susie his wife. You are in my prayers and may you be given the strength to get through this. I am certain you will be reunited with Paul and other family members in the future. With love, Emily Perrott.

“*My cousin was the strongest of men, with the kindest of hearts. He was there to help others when they needed it. And so hard-working, with so much integrity. His family was the center of his world. I always admired him and loved chatting with him. It has been a long journey and now he is in peace, but never forgotten and always will be missed. Lots of love and hugs to everyone in NM. I wish I could be there. Love you all so much.*
