“ My condolences to Paula and the Goar family. I can fondly remember a time as a young man when our country stood for something only because of men, like Paul, who humbly lived lives that stood for something. God bless.

“ I loved my Great Uncle Paul. He was an amazing man who lived life to the fullest. I never remember him not working. He was kind and stoic. He loved his family fiercely. I will never forget him being at my father's funeral. In that awful horrible moment in time, his hug meant everything. My heart is with my family in New Mexico. 💔 Jennifer Boyd, Spokane Washington

“ My sincere condolences to Paul's loving family, beautiful wife Phyllis
and Daughters Paula and Vicki. I had the honor of knowing Paul
and family since the early 70's. He invited me into his home for
meals, to play board games and he hired me to work for his
construction company when I was struggling and needed work. He
has a generous soul and I've yet to meet a bigger Dodger fan than
Paul. Glad for him when they won the World Series last year. Rest
In Peace Sir, you've earned it!!
