“ Meredith, I just learned of Paul's passing. I was watching the news and they were discussing 401's and Investments and I thought about Paul. I decided to google him and I find his passing. Paul was my boss at First USA. He was such a wonderful person to work for and I always went to him for guidance on investments for my future. Paul even would talk to my Dad on the phone on occasion whom is now passed on. Paul always talked about you Meredith, I remember you were always making us ornaments for Christmas. I am sorry for your loss.

“ Meredith,
Paul was one of the first AHS guys I met after moving from Midland to Austin. He made a new kid feel welcome – that was his way. Having lost a wife, I understand a little of what you may be going through. He will be missed! Paul was “Loyal Forever”...
God Bless you and yours,

“ I went to school with Paul through junior high and high school. Paul was always kind, funny and sweet. Although I haven't seen him in at least 25 yrs., I am deeply saddened he died so young. He was a good man. God rest your soul in the light, Paul and comfort your family in your absence. I am so sorry for your loss.

“ Meredith, I'm stunned at your loss. I remember our days together in Red Jackets as some of the happiest of my life, and I remember Paul as a leader even in high school. The world is a poorer place.

“ *"Change is good" ... I think of Paul often because the last time I saw him the family had just sold the house in west Austin (think it was on Sharon Lane and the house where Meredith grew up). I ask "why move after all the years ? Paul's response "Change is good"*

I have used the "change is good" line many, many times in conversation and communication with others prefaced with "as my friend Paul Moyer said....."

As with many other UJH and Austin High friends I lost touch and did not know of the move out of Austin . I would hope the change from Austin to New Mexico was good and the end was peaceful. My memory of Paul will continue

“ *Meredith*
I was looking forward to reuniting with Paul at our Austin High School 50th Reunion. He will definitely be missed. Just the other day while going down MoPac I looked over at where you all used to live and wondered how he was doing. Take care.

“ Paul hired me at First USA and helped me make the transition from a long military life into the civilian work force. He was a motivator, advisor and coach, but beyond that a true gentleman and friend. His passing is a shock to our entire family and we send our condolences to all those relatives and close friends who share in this loss. He is one of those people who you never forget.....Hugh West, Col USAF (Ret)...Austin, TX

Merideth,
I only just learned of Paul's passing, and I'm so sorry to hear it. I hope you and Whitney are doing well. I will so miss his bullet point emails. If ever there was a unique individual, it was indeed Paul Moyer. I agree with Hugh, he's one of those people you never forget. We worked together at First USA, and kept up with each other since. He is sorely missed.

Love to you and the family,
Mark Warren

I knew Paul for virtually our whole lives. We grew up two blocks apart and were friends before we ever started to school. Although I had only seen Paul a few times during our adult years, I always considered him a great friend. I am very sorry for your loss.
