

Paul Allen Sanchez

October 27, 1960 - July 27, 2015

Paul Allen Sanchez was born on October 27, 1960 and passed on July 27, 2015 at the age of 54. He was currently residing in Santa Fe, New Mexico. Paul was preceded in death by his mother Patricia Rose Carolina Sanchez. He is survived by his partner of 23 years, Ted H. Webber, his daughter Leticia Roybal and her husband Dr. William Roybal, and grandchildren Ana, Salomon, Tiareyana, and Kristyna. Also, he is survived by his father Emiliano Sanchez Jr. and brother Dr. Charles Sanchez with his wife Threase, twin sister Paulette Kaminski and her husband Thomas, and sister Judith Cole.

Paul had a great life and accomplished more in his short life than most people. Paul was a loving companion, great father, caring grandfather, loyal brother, best friend, and a great mentor. Paul traveled to many places and no matter where his journeys took him, he touched lives. Everyone loved Paul. During his stay in Ghana, Africa, he befriended so many and even extended his loving, caring heart to help several there. His legacy of what he did there will continue to help and touch others forever. Paul spent most of his life as a strong union activist through both NEA and MEA, and when asked what his official title was he always responded "Service Executive". God has taken an angel from us, like his life partner Ted said, "God takes the good ones first". Paul will be missed by so many. The peace we have is knowing that he is in a better place and he is now united with his mother. We all need to push forward and continue to spread all the magical love that Paul left us with. He will be

forever missed and loved, and will be forever in our hearts. We all Love you Paul!!!

Paul's life will be celebrated at 10:30 am on Saturday, August 15, 2015, with a memorial service in the Cottonwood Pavilion at the Hyatt Regency Tamaya Resort, Santa Anna Pueblo New Mexico. Paul championed education, personal growth and learning his whole life. In lieu of flowers memorial donations may be made to the University of New Mexico International Student Emergency Fund in the Global Education Office, attention Mark Cramer (505) 277-4032. Peace.

The candle light reminds me of your bright smile and the twinkle in your eyes. The night before you left, the fun time we all had singing, dancing, and just having a good ole' time. Our friendship was one of a kind.

“ To Ted and all of Paul's loving family, I am so very sorry for your loss. Paul was such a very fine and generous spirit. I know that only a very small part of his life was lived in Ghana but I will never forget the respect and kindness that he offered the staff that worked for him. They had never been treated with such dignity nor had they ever had such fun in a workplace and they responded with love. Paul brought out the best in so many people. You are in my prayers.

I loved going to the commissary and having conversations with Paul. I can hear his voice and see his smile right now. I know his energy, love and amazing light will still shine on all of us. This is one of my favorite pictures as it will always remind me of a great time with wonderful friends. Paul may not be with us any more but his spirit will always live on. For me this photo is a reminder of that spirit, his overwhelming love for life, and all the wonderful things that made Paul the person we all loved.

I am so sorry for your loss...because I know you have lost a dear, kind, funny, energetic, caring person. I knew Paul in high school, he was someone that you just wanted to be around. He teased me unmercifully because I placed pictures of myself in our High School Year book! I enjoyed speech club and La Luna Year book club with him. He was someone you never forgot and I always thought I'd see him again. He will be greatly missed, I'm heart broken. 💔
Judy...and Sanchez family, your in my thoughts and prayers.

“ *My Dad, my Best friend, my hero.*”

Tish Roybal - July 30, 2015 at 06:21 PM

“ I had the pleasure of meeting Paul many years ago, and though the time span kept me informed of his where about's ~ his achievement's~ his caring and gentle nature were always in the regaled stories of him. How I marveled at his generosity when he took his mother, Patsy to Paris. He flew her New York City, received her once more in Ghana where he lived for a period of time. His kindness never went without overlooking anyone; be it a cruise to the islands - Jamaica, Bermuda. Family always seemed to accompany him and Ted to the marvels of the world,. Many stories were related to me of his work with less fortunate ~ in his travels, how he took them under wing and aided in ways that can keep a person in wonder. His heart was so kind. In my times that I shared with family and his presence, I found him to be a most hospitable man, generosity had no limits. He carried a smile that would reach your heart, and his laughter and joy just surrounded him. If there is a place in heaven ~ besides being with his precious mother, then know that he is there sharing amongst the angel's ~ surrounding them with love and looking down on his earthly family and friends and know that he is smiling ~ My heart is sorrowful for this kind person who walked in my path and shared himself with me. I am saddened that, while on earth, I will never see him again, but one day ~ I will see a star twinkling in the sky and feel that his smile can reach across the heaven's.

Good bye Paul and May the Eternal light of Christ shine upon you forever ~
