“ Jennie & Eddie & Chris: We were so sorry to hear about Phillip's passing. As you know, he went to school with our sons and he was always a polite young man. He was well-liked and friendly to all. We watched him grow to be a responsible person and become a loved man. May God grant him eternal peace and rest and let His perpetual light shine upon him. You and your entire family have our deepest sympathy.

“ Dear Peralta family, I cannot express enough how sorry I am for your loss or begin to imagine how difficult this time must be for you. I have not met any of Phil's family members, however I do know one thing about them. They raised a great man. I worked with Phil at Intel and we developed a friendship of fun, laughs and smiles, but the thing that I will take most from our friendship is that Phil was always there to help, even if it meant sacrificing his own needs. I was blessed to have Phil as a part of my life. May God help during this difficult time.

Respectfully,

“ *Peralta Family,
Please accept my condolences. It is with a heavy heart that I learn of Philip's untimely demise and I share in your bereavement. Philip and I were classmates at ITT and colleagues at UPS. He was a bright, hard working kid eager to make his family proud. Though time and distance divided us, I always felt that I would one day reconnect with him. I pray that your faith in God will help you through these difficult days.*

With Love and friendship,

“ Chris, Mr & Mrs Peralta,
I was very sorry to hear about the passing of Philip. I remember him as a quiet, gentle young man when Chris brought me home during a long weekend at college. To me he seemed like he was always sitting back taking it all in, and would never hesitate to share in a smile when you talked with him.
Know that you all will be in our thoughts and prayers. May the love that you all share provide you comfort during this time, and the love of God's newest angel is with you till we all meet again.
God Bless the Peralta Family.
