“ I knew Phil and Margene in Albuquerque, NM in 1975 when we were selling Indian jewelry. Phil was a true friend and a man of his word. I'm sorry we lost touch over the years.

“ Phil was a dear friend of mine. We both new each other in Tucson through a mutual friend and when we moved to Albuquerque in 1978 Margene and Phil were the only ones we knew. We shared lots of gatherings on special occasions. I can remember an elk hunting trip to Montana in which the 2 of us camped out in the national forest. To make a long story short - we didn't get anything and Phil got so sick we cut short our hunt in favor of a really nice steak house. You should have seen the looks we got when we tramped into this restaurant with or hunting gear on. They found us a quiet spot in the corner. As I recall Phil dropped a \$20 bill just to get us in the door. The food was great. We came home with 2 trout. After Phil moved to the Los Lunas area we would get together, just the 2 of us, relax on his enclosed porch and discuss whatever old guys talk about. He will be dearly missed.

“ Phillip was my 1st cousin..We only lived 50 miles from each other.. Every holiday or birthdays our families were together. Phil was a year younger than I. He is our 3rd cousin to pass away.. His Mother, Auntie Ruth were 25 years apart but we were like Sister..I used to spend my Summers at Aunty Ruth and Uncle Harry's home.. I could go on but to his family and Kids you are in my prayers. I love Phil and he will be missed very much.. Cousin Linda Ann Evan's Burris...❤️❤️
