“ Mom I love you. Always have and always will. Thanks to you I have my wonderful husband and we will make it through this because we know you are in a much better place. I'm glad you are able to rest now and you're done suffering. You always had my back no matter what was going on. I love you! You will be missed but never forgotten.

Diana Jaime - August 15, 2013 at 09:33 PM
