“ I'm sorry I didn't go to your funeral Nonny. Too many assholes in this family who are selfish and cold blooded towards me so I will always keep my distance. You said you would love me no matter what. I think of you so often. I miss calling you so incredibly much. I reach for the phone to call you and can no longer reach you. I called you so often, it hurts badly not to be able to hear your voice. I love you forever, your first grand baby, Monica Orosco

“ This is a tribute to the children of Manny and Priscilla, who were so lucky to have been loved by their father and mother! I coached with Manny at Valley High, and my family visited your family at your home several times. I remember Karen and Stephanie, and my eyes followed Manny Jr. during Manny's funeral. I was saddened to hear about Stephanie, something I missed. The younger children I never really got to know. You might remember my daughter Linda, now 55 years, and my son Andy. Jerry, my other son was not born at the time we visited your family I will always remember Manny and Priscilla. I love you all. Todo mi amor. Coach Sam Sandoval
P.S. I was recently inducted into the N.M Wrestling Hall of Fame, and Manny certainly contributed to that.

“ Family,

How fast we live then turn to that hopeless tangle of our age. But, the shelter to live and grow wise has been ours. That is life as it must be. Priscilla was a classmate (class of 1948) and friend of mine. We all were enriched by her kindness and love. I now say farewell to that lovely lady who has departed to rest in the place where eternal passions reign and sweet sleep is found in the king's house.

On behalf of my wife and family, please accept our sincere condolences. May time bring solace to your hearts.
