“ Rachel my Heart is shattered. I don't think you'll ever realize how much you meant to so many people. You made sure that when you wanted somebody to know something that they heard it whether they wanted to hear it or not. Your advice was always spot on and you were always there to help when people needed it the most. RIP Rachel

“ I consider myself truly blessed for knowing Rachel. She was a wonderful friend, sister, and most of all mother to her three sons. She had a beautiful smile and a big heart. She was such a delight to be around, Always ready to help and put a smile on everyone's faces. She was raised by a strong woman "Irene" who raised her to be the same. My heart goes out to all of you in this most difficult time. Irene, I promise to be there for you when you need me.
