“ *Auntie Auntie. You fought the good fight. Uncle Sam said that you had the Flores will. I found strength from you to deal with what I went through. It was hard laying your body to rest today but it was peaceful knowing you're in a better place. I imagine your dancing up there with your babies, brothers and mom and dad. We mourn for you because we'll miss you but rejoice because you hit the jackpot of spending an eternity with our Lord and Saviour. Until we meet again auntie...*
