“ Diana, I cannot tell you how sad this made me feel - so can only imagine your sorrow. I will always be thankful for your friendship and all the great talks we had at the store. Your love for Southwest art and stories you gys would tell that made it all more real. I wish I had had the courage to get on an airplane to visit like we talked about. I saw Lori at RHS when Noah and Hannah got their honor awards but didn't get to talk to her. Just know I am thinking about all of you and have offered prayers for you and Randy. Blessings to you all -
