“ I am so sorry for the death of Rebecca and I want to express my deepest condolences to the family. I knew Rebecca since I was in high school through Mary Jo and Anthony. Rebecca was a very quiet, humble and sincere lady. I know the family will miss her deeply. The loss of a loved one is hard because we miss them so much but remember we still have them in our memories! I always think of my friends Mary Jo and Anthony and I hope and pray they are doing well. I just found out today, April 17, about Rebecca passing away but I had a dream about Mary Jo last night! I hope she is well.
