“ Renee was an angel on earth and is now in heaven, reunited with her mom, dad, brother, and our Heavenly Father. She was one of the sweetest and purest souls I have ever had the pleasure to meet, and it was always a joy to spend time with her.

To Dani and the family, my deepest condolences on the loss of your dearest Renee. I am sure her memory and her beautiful spirit will live on forever.

“Hearfelt condolences to the loving family members of Renee, especially to her sister Diana who cared for her tenderly and deeply. As was written, she will always be an angel and is now joyously reunited with her parents who I know she missed so much, especially her mom who died just two years ago. Now they are together again and Renee's spirit is living and joyous as always and her family can take comfort in their loving care and memories of her here and the knowledge that everyone will be reunited and safe with our Lord someday.
