“ I was Adrian Teacher at HTJaramillo School in2014. He was a very curious little boy. He wanted to now how things worked. Annette Romero worked with him a lot. He was a sweet little boy . We also had his sister Yvette in our class. My heart aches for you his family . May God give you the strength you need at this time. Losing a child at any age is very difficult, I know.

“ *Trabajé con Adrián cuando asistió a H.T. Jaramillo como niño de infantil en 2014. Lo volví a ver cuando se matriculó en la escuela secundaria hace un par de años. Seguía siendo tan dulce y curioso como antes. Siento mucho tu pérdida y que él descanse en paz y permanezca en tu corazón para siempre.*

I worked with Adrian when he attended H.T. Jaramillo as a kindergartener in 2014. I saw him again when he registered at the Middle School a couple of years ago. He was just as sweet and curious as he used to be. I am very sorry for your loss and may he rest in peace and stay in your heart forever.
