“ For some reason this quote that I came across, seemed so fitting on how I feel about my Grandma Ritas Journey to join our Lord and Savior. "In the end when you loose somebody , every tear , every candle and every prayer is not gonna make up for the fact that the only you have left is a hole In your life that somebody that you cared about used to be" . But I know for a fact, I still have my memories of my Grandma and nobody or nothing can take that away.
